Re: ~~the ... city central depot Rajpore city~~

~~the~~ G.O. dated 24.5.44, may be continued till ~~end~~ December 1944 and the position reviewed, if necessary, after that period.

Which are the 9 Reserve godowns attached to the city central depot in Rajpore city and which were only sanctioned, have not been specified by the D.T.S.

It is seen from (i) G.O. No. 11642-45/A 74-42 dated the 18/24.3.43 and (ii) G.O. no. 664-7/A 74-42 dated the 6th August 1943, that a separate establishment under an officer of the rank and status of Amildar has been sanctioned for the "District central Reserve depot" located in Rajpore city.

Whether the above officer cannot be put in charge of the "city central depot" also, may be examined.

OFFICE OF

the Director of Food Supplies in Mysore, Bangalore.

No. C1-277/44-45.
Encls

Date 24 July. 1944.

To

The Secretary to Government,
Development Department (Supplies),
BANGALORE.

Sir,

Subject:- Appointment of an Officer to be in charge of the City Central Depot, Mysore City.

Adverting to Government order No.SD.5080-92/A.104-43-52 dated 1-2-1944 sanctioning certain ministerial staff for the City Central Depot and its reserve godowns and Government order No.SD.8058-62/A.104-43-75 dated 24-5-1944 placing the Circle Officer No.2 in charge of the Depot in addition to his other duties, I have the honour to state that the Rationing Officer, Mysore reports that there are at present nine Reserve Godowns attached to the Central Depot scattered in diffierent localities ofthe City and ~~it is reported~~ that the Circle Officer cannot devote adequate attention to the proper supervision of these godowns and the transport arrangements without detriment to his work as Circle Officer. In the circumstances, the Rationing Officer, Mysore City has proposed (vide copy of his letter enclosed), the appointment of an officer to be in-charge of the City Central Depot and the attached godowns exclusively. He has suggested in this connection that Mr. S.N. Pallegar, B.A.(Hons), Food Inspector, Mysore City appointed as a Special Officer, Harvest Acquisition in Government Order No.SD.8200-203/A.85-43-27 dated 31-5-1944 may be posted to the charge of the Depot on the pay and allowance sanctioned to him as Special Officer, viz., Rs.100/- plus C.A. Rs.35/- p.m. During my recent visit to Mysore, I discussed the matter with the Rationing Officer and I am fully convinced that there is immediate need for the proposed appointment and I am also of opinion that Mr.S.N.Pallegar would, in view of his experience as a Food Inspector, be a suitable person for the post.

2. In view of the urgency, I have, in anticipation of sanction of Government, posted Mr.S.N.Pallegar to the charge of the City Central Depots as proposed by the Rationing Officer. I request that sanction of Government may be kindly obtained for the appointment of an officer an Rs.100/- plus C.A. Rs.35/- to be in charge of the City Central Depot, Mysore City. Approval of Government may be kindly obtained also, for the action taken by me in anticipation of sanction in the interests of work.

3. Separate proposals willbe sent up regarding the appointment of a Special Officer, Harvest Acquisition in place of Mr.S.N.Pallegar.

I have the honour to be,
Sir,
Your most obedient servant,

B Neelakanda Rao

(Enclosure typed overleaf.)

Letter No.R1-13/44-45 dated 8th July 1944, from the Rationing Officer, Mysore City, to the Director of Food Supplies in Mysore, Bangalore.

Independant Officer for the City Central Depot.

--

I write to state that Government in their order No.SD.5088-92/A.104-43-52 dated 1-2-44 sanctioned certain ministerial staff for work in the City Central Depot and its reserve godowns and by a further order No.SD.8058-62/A.104-43-75 dated 24th May 1944 communicated the approval of placing the Circle Officer, No.2, in charge of the Depot in addition to his own.

2. There are at present 9 Reserve Godowns attached to it scattered in different localities of the City and the Circle Officer, No.2 has to supervise all the godowns and the proper supply to the Emergency Depot and retail depots. He has also to look to the loading and unloading of the waggons. As a result, the legitimate work in the Circle Office has very much suffered.

3. It may be pointed out here that he has to supervise over the writing up of new ration cards and inspection of Depots.

4. An officer has therefore to be in charge of the Reserve Godowns and Emergency Depots exclusively.

5. In this connection, I may state that Mr.S.N.Pallegar, Food Inspector, who has been appointed as Special Officer, Harvest Scheme, on a pay of Rs.100/- plus Rs.35/- in accordance with Government Order No.SD.8200-203/A.85-43-27 dated 31st May 1944 may be retained here and placed in charge of City Central Depot on the same may and allowance. He is well conversant with the Depots and the City.

6. I therefore request you kindly to second Mr.S.N.Pallegar, here, and place in charge of the City Central Depot and the emergency depots on the pay now sanctioned.
